Commissioner for Patents

Sir:

It is respectfully requested that the attached Certificate of Correction be entered in the patent identified above. As printed, claim 3 does not identify the claim from which it depends. Claim 3 should be dependent from 2. This is the result of a U.S. Patent and Trademark Office (PTO) error since the most recently submitted listing of claims properly indicated the dependency of this claim. In particular, the listing of claims indicated claim 5 depends from claim 20 and claim 12 depends from claim 19. The PTO renumbered claims 19 and 20 to make them claims 1 and 2 and renumbered claims 5 and 12 making them claims 3 and 9. Claim 9 is now dependent from claim 1, and so claim 3 should be dependent from claim 2.

Since this is the result of a U.S. Patent and Trademark Office error, there should be no charge for this Petition. However, in the event that costs are incurred, please charge undersigned counsel's deposit account 05-1323 (Docket #011235.50807US).

Respectfully submitted,

  
Christopher T. McWhinney
